

ABSTRACT

The theme of the bachelor thesis is National front (Le Front national) – National Rally (Le Rassemblement national) under the leadership of Marine Le Pen. First part of the thesis is focused on political parties in general. It explains their foundation, function and typology. Subsequently it devotes to the system of French political parties. The thesis includes mapping of historical development of National front under the leadership of Jean-Marie Le Pen. The thesis puts the biggest emphasis on National front (National Rally) under the leadership of Marine Le Pen and also on oncoming European parliament's elections.

The goal of the thesis is to study and to analyse specialized politological Czech and French literature and authentic documents about theme of contemporary political party in France, specifically National Front – National Rally, to focus on president election's programmes and parliament's programmes of National Front – National Rally. Also to map National front's programme before the oncoming European parliament's elections.
