The goal of the work is to present the founding, the relatively short his tory, and the organization of the Learned Soc i e ty of the Cz e ch Republ i c . El abor a t ing the c r e a t ion and deve lopment of an import ant institution connected with science and s chol a r ship, one that participates in the life of cont empor a ry soc i e ty, inc luding an unde r s t anding of thi s group's hi s tor i c a l root s, could cont r ibut e to the ove r a l l vi ew of the formul at ion and the per ipe ty of scient if ic potent i a l and ins t i tut iona l f undament a l s in the Cz e ch Republ i c. The Le a rned Soc i e ty of the Cz e ch Republ i c wa s f ounded on 10 May 1994 a t a c e r emoni a l s e s s ion in Pr ague 's Ca rol inum with the signing of the "De claration of the Learned Society of the Cz e ch Republic." The first part of my work focuses on the dr iving f or c e s that I ed to the f ounding of the Soc i e ty. In the "De claration" the Society aligned itself with the traditions of the Roya 1 Cz e ch Soc i e ty of the Sc i enc e s, and f or thi s r e a son I pr e s ent ba s i c inf orma t ion r ega rding thi s pr ede c e s sor to the newly founded Le a rned Soc i e ty of the Cz e ch Republ i c . The Roya l Cz e ch Soc i e ty of the Sc i enc e s wa s f ounded in the s e cond ha I f of the 18t h c entury. I then br i e f ly addr e s s anothe r s igni f i c ant soc i e ty, the Cz e ch Ac ademy of Ar t s and Sc i enc e s, which was created with substantial assistance from benefactor Jos e f Hl ávka. I t i s a l so not pos s ibl e to omi t ment ion of the Cz e chos lovak Ac ademy of Sc i enc e s, f ounded in 1952. Neve r the less, I have focus ed on the founding, traditions, and cur r ent a c t ivi t i e s of the Le a rned Soc i e ty of the Cz e ch Republ i c from its creation to the end of 2006.
