

ANGLICKÁ ANOTACE

The changes of the life at the parish in 1989-2007

This work takes notice of the Prague parish by the church of St. Francis from Assisi in Chodov, and trying to describe all the changes inside the parish after revolution in 1989. This parish belongs between the biggest parishes in the Czech republic and stretches in the middle of the 100.000 population housing estate in the suburb of Prague – this is soecification, and big opportunity for gospeling.
