**Course of the examination:** Aine Teresia Donnellan presented her thesis's main topic: "Beyond Peace Journalism: Can Mindful Journalism Help Promote Global Inclusivity in the face of Israel's war on Palestine?". She discussed the theoretical background and methodology and then presented the main findings. In conclusion, she mentioned the limitations of her study. Her supervisor, Mazlum Kemal Dagdelen, appreciated the outcome of the thesis, especially the theoretical concepts she used and the methodology, which was very well handled from his perspective. The main objections were connected to the discussion, which could have been developed more, and the formal editing could have been better. He proposed to grade A/B Kateřina Turková, as an opponent, read her review and raise her main objections, which were connected to answering the RQ and some formal deficiencies, such as structure. She proposed B-C. Aine Teresia Donnellan then reflected on all of the objections and answered the proposed questions.
