

## Abstract

Karel Štika, the painter and the graphic artist

In my bachelor paper I describe life, education and works of Karel Štika, Czech painter and graphic designer. He was teacher of drawing and aesthetics too. He was publicist in graphic and artistic sphere. His stories and entries are in magazine Hollar mainly. Theme of his artistic production are social motives in his early works and landscape in his late works. He used various graphics technologies. He did also illustrations for many books of Czech and foreigner authors.
