

Abstract

The intercessions' prayer represents requests for universal Roman Catholic, prayers for people who govern on the World, for gift and salvation all the world, and then all suffered people and local parish. Our work will deal this prayer in the view of celebrating Eucharist and history in the Czech's and Moravian's dioceses with the clue make cataloguing, analyzes contents of these intercessions' collections and compares it from special viewpoints. It would find differences between contents of that intercessions' collections and outline of critical evaluation. Therefore there are main points in these intercessions' prayer our work approaches. There are anamnesis of formation intercessions' collections, cataloguing, systematic processing of differences, analysis of content intercessions' collections and critical evaluation.
