A commented translation. Histamin-Intoleranz. Histamin und Seekrankheit.
Hrsg. von Reinhart Jarisch. Thieme 2004. (Selected parts)

Abstract

The aim of this bachelor's thesis is to perform a translation from the German language of selected parts of the book *Histamin-Intoleranz. Histamin und Seekrankheit* by Reinhart Jarisch. A detailed linguistic comment is added summarizing the applied techniques and methods of translation.
