Initial and permanent formation of permanent deacons in Brno Diocese [manuscript]: Bachelor's thesis / Pavel Souček; Supervisore: Aleš Opatrný. – Prague, 2009.—xx s.

Annotation

The aim of this Bachelor thesis called “Initial and Permanent Formation of Permanent Deacons in Brno Diocese” is to describe and then evaluate the formation of permanent deacons, applicants and deacons already ordained in Brno Diocese in the time period of 2000 to 2010.

The thesis consists of two parts. The first part describes the restitution of permanent diaconship after the II. Vatican Council, the general service of the permanent diaconship in the tradition of the Church and Church documents, which relate to this topic on a general level.

The second part deals with the formation of permanent deacons including the initial formation for applicants for permanent diaconship and formation of permanent deacons after their ordination as it is implemented in Brno Diocese.

The final part provides an analytical assessment of the formation.

Key words
