

Terezie Strettiová, The Specifics of Dominican Pastoral Work

The work formulates pastoral principles of Vatican II on the basis of *Gaudium et spes*, in the light of which it studies the specifics of Dominican pastoral work and the priorities of the Order according to its Constitutions, letters of General Masters, and Acts of General Chapters. Then it gives some examples from the Czech Dominican province. In conclusion it views the Dominican pastoral principles from the point of view of the Church's renewal.
