Bakalářská práce

Abstract

The main theme of this bachelor thesis is unemployment in the Federal Republic of Germany in the period of time between 1998 till 2005. In this time governed in Germany the so called red-green coalition, consisting of the political parties SPD and Bündnis`90/Die Grünen. The main aim of the thesis is to investigate problem of unemployment in the Federal Republic of Germany in the mentioned years 1998 till 2005, and to explore possible causes, development and consequences of unemployment. Furthermore, it is to examine political measures which were introduced to reduce unemployment and to assess their effectiveness.
